QUIETLY CONFIDENT

The engine might not roar, but rest assured the MIFA 9 still dominates on the road. Smooth, seamless and quiet, the MIFA 9's 180kW electric motor delivers immediate power with 350Nm torque. Perfect for effortless airport pick-ups, team outings and hosting out of towners – responsibly. This people mover also brings intelligence, with Normal, Power and Eco smart driving modes that adjust performance as you need it. Perfect for adapting to the different occasions and adventures of your day to day. You'll also love the lower running costs, with a fuel-free ride every time and a motor that requires less maintenance. That means less time and money spent at the petrol station and the mechanic, and more time doing what you do best.

ELECTRIC SLIDING DOORS & TAILGATE

With an electric tailgate and electric dual sliding doors with one touch entry and exit, you'll never fumble to open the car while balancing luggage or shopping again.

INDIVIDUAL TOUCHSCREEN CONTROL

Integrated touchscreen controls provide convenient access to seat adjustment, massage and memory. The sliding armrest neatly conceals the screen when not in use.

FULL LED FRONT HEADLIGHTS

With a slick yet wide stance, it's a stylish luxury people mover like no other. On the road, it's hard to miss. Its clean, stronglines headlights give it a distinctive presence that commands attention.

ADVANCED SYNCHRONISED PROTECTION SYSTEM

Security privileges confidence with every person.

Confident with the level of safety that comes complete with up to 25 systems and 6 airbags around the car. To take care of everyone you love in every journey add peace of mind to the system semi-autonomous driving assistance systems, certified by **Euro-NCAP 5 Stars** and **ANCAP world-class safety standards**, with 3D surround view camera technology that allows you to clearly see every moment of life.
